Ward Delimitation in Badvel Municipality Favors Ruling Party

Kadapa District, October 14: S. Chandrasekhar, a district-level committee member of the CPI(ML) Liberation party, demanded a review of the ward delimitation process in Badvel Municipality and action against the responsible Municipal Commissioner, alleging that the exercise was conducted unilaterally to benefit the ruling party. He made these allegations in a statement released from the party office on Wednesday. While welcoming the expansion of Badvel Municipality from 26 wards to a range of 35–40, he noted that the hasty execution of the delimitation process—conducted in a manner that excluded the opposition and favored the ruling party—has left candidates from various political parties confused. He stated that announcing reservations without consulting political parties and representatives of civil society organizations was improper. He demanded that higher authorities re-examine the matter and conduct elections only after carrying out a ward delimitation process that is acceptable to all political parties. Housing Pattas Must Be Granted to the Poor in Sri Krishnadevaraya Colony

Penukonda, October 14: Balaswamy, the Sri Sathya Sai District President of the Andhra Pradesh Agricultural Workers' Union, demanded that housing pattas (land title deeds) be granted to the homeless poor residing in Penukonda's Sri Krishnadevaraya Colony, in compliance with court orders. Speaking at a press conference on Wednesday, he stated that around 250 impoverished individuals had set up huts and were living on land (Survey No. 272) adjacent to the National Highway near Gonupenta Road under the aegis of the Agricultural Workers' Union in 2008. He noted that after repeatedly approaching the Tahsildar's office

for pattas without success, the affected individuals moved the High Court, resulting in a 'status quo' order issued in 2010 regarding Writ Petition No. 21482. He expressed dismay that no government has granted the pattas to date. He recalled that Minister Savitha had visited the colony and promised to issue residency certificates. However, he pointed out that there is no clarity regarding how many of the 250 beneficiaries—or exactly who among them—received these documents. Anjanamma, a district leader of the All India Women's Federation, and Youth Federation leaders S. Kumar, Srinivasulu, and Subbarayudu participated in this meeting.
